## WordPress Developer | Webflow Developer

Cairo, Egypt | +201030001799 | abanoubedd@gmail.com | LinkedIn | Github | akstudio.me

## CAREER SUMMARY

After 5 years of working as web developer specializing in WordPress and Webflow. With a strong foundation in front-end development and a passion for creating intuitive user experiences, I have delivered successful projects for clients in a variety of industries. Whether developing custom Themes or integrating with existing systems, I bring a results-driven approach to every project, consistently delivering on-time. I am also experienced in creating dynamic and responsive websites using Webflow. Whether it's working with a team or leading a project.
